

## **Emily Fisher Bio**

Emily is our Closing Assistant at Riverside Settlement Services! She loves the friendly, supportive team environment and helping clients through some of life's biggest milestones.

Emily is from Beaver and still calls it home. Outside of work, she enjoys reading non-fiction and historical books, crafting, baking, and spending time outdoors with her son, Parker, whether that's soccer practice or a good frisbee game!

On weekends, you'll often find them visiting family and friends, hitting local markets, or trying out new coffee shops (Parker's still warming up to that part)
